NEWBURY in Arboretum Green | Design by REVITALISTE

PRODUCT INFO

We have two types of performance products suitable for outdoor and indoor use, both made in the U.S.

Our woven pattern, Newbury is produced with Sunbrella acrylic (20,000 DR / 2200 hours of lightfastness). All other patterns are digitally printed on a 100% polyester performance ground (36,000 DR / 1000 hours of lightfastness).

Please reach out to us for information on custom projects.
